In your browswer, go to http://www.lfacommitteerequest.com

Please note that the committees on this page *may* reflect the current committees *after* members have been deleted whose expiration year was this year. If you don't see your name on a committee that you thought you still served on, it doesn't mean that you cannot continue to serve. It just means that the expiration was set to this year. You will have the chance on the request form to request your current committees and/or make comments in addition to your requests.
